"What a great way to spend a Saturday night! The show was intriguing and the dancing was fun and great exercise as well. Thanks, Erik, for another successful event."

"This was a really fun event and a very nice place!"

"The Murder Mystery show was hilarious. The actors from The Killing Kompany were excellent. Congratulations to "Winfred" (Wilfried) on making the Olympic football team and for getting the "Best Penetration in the Backfield" award. Mt. Fuji is huge and a great place to have a good time. The DJ played great music and, once again, we had the whole group out on the dance floor! Thanks to all who showed up for making our 1 Year Anniversary a memorable one. My favorite memory was of Bob dancing around with that huge Chinese Dragon on his head. That was a classic. "

"It was a fun night, met new singles, food was good, disco was icing on the cake!"

- **Rhonda** 

"I had a great time! The music afterwards was more for the young than for our age bracket and I guess once i know how to dance I would appreciate it not be rap music to dance to."
